

CAT Instructions

Assessment Timeline & Submission:

- **Download Window:** Download the assessment project within **10 minutes** of your scheduled start time.
- **Project Completion:** Once downloaded, you will have **2 hours** to complete and submit the project.
- **Submission Format:** You can only submit **one file** with the `.html` extension.

Assessment Project Files:

Downloaded Assessment Project file contains

- `template.png`: This image represents the desired visual outcome of `template.html`.
- `instruction.pdf`: This file (you are currently reading) provides assessment instructions.
- `template.html`: This is the HTML file on which you need to work.

Assessment Task:

Add HTML code inside the `<div id="code-section">` element in `template.html`. The objective is to generate a webpage that visually resembles `template.png`.

Development Guidelines:

- You may use your own custom CSS and Bootstrap classes for styling.
- **Third-party CSS libraries are not permitted** (excluding Bootstrap)
- You are free to use any editor of your choice.

Evaluation Criteria:

Your project will be evaluated based on the following criteria:

- **Code Quality:** The efficiency, readability, and maintainability of your code.
- **Visual Similarity:** How closely your coded webpage resembles the `template.png` image.
- **Completion Time:** The time taken to complete the project..

Submit Project:

- Go to <https://amitsoft.in/cat>
- Fill out and submit the "Upload Assessment" form.

Attach the "template.html" file only

Wish you the best of luck !
